

Parents Code of Encouragement

(Appendix to the existing code of conduct)

In addition to the Basketball Victoria Code of Conduct, we wish to convey a further "Code of Encouragement". This is something that we as a club wish to highlight and encourage in addition to the existing Code of Conducts:

We wish to encourage PARENTS with the following:

- Encourage your kids to display the **character of Christ** on court. Be an example to other teams.
- **Support** your coach and manager and lend a hand when possible. They are volunteers helping your child.
- **Avoid coaching your child** from the side, instead encourage with "good job, nice try, let's go etc."
