

Player Code of Encouragement

(Appendix to the existing code of conduct)

In addition to the Basketball Victoria Code of Conduct, we wish to convey a further "Code of Encouragement". This is something that we as a club wish to highlight and encourage in addition to the existing Code of Conducts:

We wish to encourage PLAYERS with the following:

- Encourage your teammates AND opponents when you can. Remember to represent the **character of Christ**
- **Be THANKUL** to your coach, manager and parents for what they do to make it possible to play this great sport
- **Accept any decision** from referees or coaches with humility and without arguing.
